

## PROOF OF IDENTITY AND ADDRESS CHECKLIST

**You must provide both proof of identity and proof of address upon arrival at your assessment centre.**

Please note that you cannot use one form of identification for both. For example, if you provide your driving licence as proof of identity, you must provide another form of identification for your address, such as a utility bill.

Your proof of identity and proof of address must match your address on your application form. Your address can easily be changed by the team if this is not the case.
